

Curriculum Vitae

Afsaneh Vazin PharmD, PhD

Department of Clinical Pharmacy, School of Pharmacy,
Shiraz University of Medical Sciences, Shiraz, Iran
Office Phone: 0711- 242 4126 (Ext.240)
Email: vazeena@sums.ac.ir,

Educations and degrees:

- 1) **Pharm.D., (Dec 1999)**, School of Pharmacy, Shiraz University of Medical Sciences, Shiraz/Iran.
- 2) **PhD degree in Clinical Pharmacy, May 2005**, Tehran School of Pharmacy, Tehran University of medical Sciences.
- 3) **Jul. 2004 till Feb. 2005**: Post-doctoral Fellow at ICU at Mount Sinai hospital, Toronto University, Canada.

WORKSHOPS:

- 1) Participation in "Teaching Methods" workshop sponsored by Education Development Center (EDC), Shiraz University of medical Sciences. Dec 2006
- 2) Participation in "Curriculum Writing" workshop sponsored by Education Development Center (EDC), Shiraz University of medical Sciences. Dec 2006
- 3) Participation in "teaching Evaluation" workshop sponsored by Education Development Center (EDC), Shiraz University of medical Sciences. Jan 2007
- 4) Participation in "Student Evaluation" workshop sponsored by Education Development Center (EDC), Shiraz University of medical Sciences.
- 5) Participation in "article writing" workshop sponsored by Education Development Center (EDC), Shiraz University of medical Sciences. Feb 2008
- 6) Participation in "Meta analysis" workshop sponsored by Education Development Center (EDC), Shiraz University of medical Sciences. Mar 2008

PROJECTS:

- 1) **Pharm.D. Thesis:** Evaluation of the calcium channel blocking activities of dihydropyridine derivatives, with nitroimidazolyl moiety, by using the guinea pig's intestinal smooth muscle.
- 2) **PHD Dissertation:** Concentration of epidermal growth factor in blood serum of acute lung injury patients and role of furosemide treatment).

ACADEMIC POSITIONS:

- 1) Visiting instructor at Shiraz School of Pharmacy from 2000 to fall 2004. Teaching the course Pharmacotherapy to undergraduate students for 3 credit hours every semester. (Subjects: *Infectious Diseases ,respiratory disorders, Cardiovascular Disorders, Acute and Chronic Renal Disease, skin disorders, Headache*)
 - 2) Teaching undergraduate students in pharmacy practice, and clinical rotations (year 2000 and 2002)
 - 3) Cooperation in the Drug Information and Poison Center in Tehran (year 2000).
 - 4) Assistant professor at Shiraz School of Pharmacy (Sep 2004 till present)
-

RESEARCH INTERESTS:

- 1) ICU related projects
- 2) Infectious diseases related projects

PUBLICATIONS:

1. Mojtahedzadeh M, Vazin A., Najafi A., Khalilzadeh A., Abdollahi M. Relationship between duration, fatality rate and severity of disease and serum epidermal growth factor in human acute lung injury. *Therapy* 2005, 2(2): 255-259.
2. Afsaneh Vazin, Mojtaba Mojtahedzadeh, Ebrahim Salehifar, Noushin Rastkari, Siavash Khalaj, Ali Rezaie and Mohammad Abdollahi. *Future Drugs for Treatment*

of Acute Respiratory Distress Syndrome. International Journal of Pharmacology 2005, 1(1): 9-16
